

N SERIES - 2 Bladed

SPECIFICATION CHART

Diameters 18, 20, 22

The N series fan meets the need for a fan having excellent pressure characteristics, quiet operation, and low power consumption in the medium size range. Of spider type construction, it is made in diameters of 18", 20" and 22". Sizes above 20" utilize a patented spider which combines light weight with extreme structural strength.

22" Fan
